Delta Electronics, Inc.

PING CHENG

Chairman and CEO of
Delta Electronics, Inc.

Corporate Culture

Empowerment

Achieving our own success by empowering others to realize their own goals, encouraging active and enthusiastic growth to fulfill everyone's potential.

Integrity

Honestly dedicated to achieving quality with our work, upholding the highest level of professional standards and matching our words with action.

Innovation

Looking ahead to discover future possibilities, embracing continuous learning to innovate on creative solutions and breaking through the status quo.

Inclusion

Open to diverse perspectives, respecting of differing opinions and inclusive of various backgrounds that offer unique contributions.

Collaboration

Creating synergetic partnerships that achieve shared goals with agility and precision, putting partners, clients and users at the center of our collaborative efforts.

Global Operations

Diversifying for service and quality excellence

- EV Charging Infrastructure
- Renewable Energy and Energy Storage

Delta Thailand Overview

Largest Public Listed Electronics Manufacturer in Thailand

- Business management center for Southeast Asia, India and Oceania markets.
- Product development management center with R&D centers in Thailand, Germany, UK, USA and India.
- Manufacturing management center to synergize advanced technologies and processes across manufacturing plants in Thailand, India and Slovakia.

SEA+ Success Cases

Global robotics leader powers its Thai operations with Delta's inverter solution.

Delta enables greener energy in Singapore's premier club.

Major international hotel selected LOYTEC Building Management System (BMS).

Delta Indonesia has an EV charging station market share of >60% as of 2025.

Thailand's leading university upgraded its data center with Delta Vari POD solution.

Singapore's National Parks Board (NParks) installed Delta smart solutions to accelerate coral restoration.

Australia's Hobart airport selected Delta EV charging stations.

Philippines' government-owned power grid owner, Transco, selected Delta containerized data center solution.

ESG

Smarter. Greener. Together.

We pursue quantifiable carbon reduction

First in Taiwan

From
2010 to 2024

Delta's high-efficiency products and solutions helped customers...

Greening in Action

ENVIRONMENT

Delta is committed to innovations and initiatives that generate positive environmental impact, mitigate negative effects, and build a better tomorrow for all.

GREEN BUILDING

Delta group has 35 certified green buildings globally in 2024 including four in Thailand. Delta Thailand HQ is Thailand's first LEED-certified green retrofitted building.

INTERNAL CARBON PRICING

Since 2021, Delta's Internal Carbon Pricing (ICP) program charges \$300/ton CO₂, funding major energy-saving projects and low-carbon innovations toward net-zero goals.

SBTi NET ZERO COMMITMENT

Delta is committed to achieving SBTi-aligned net-zero emissions by 2050 through real, company-wide action, leveraging initiatives such as ICP, RE100, and EV100, and is on track to achieve RE100 by 2030.

Stronger Together

SOCIAL

Our sustainable business is only possible through socially responsible actions and contributions to the well-being of our employees, communities, and the country.

DELTA ANGEL FUND

Since 2016, the Delta–DIPROM Angel Fund, a collaboration between Delta Electronics Thailand and the Department of Industrial Promotion, has supported Thai startups with funding and training to drive sustainable innovation.

DELTA AUTOMATION ACADEMY

Since 2015, the Delta Automation Academy, established in top Thai universities, has trained undergraduates with hands-on skills and advanced equipment to advance automation and smart manufacturing.

DELTA EMPLOYEE & FAMILY SCHOLARSHIP

For decades, the Delta Employee & Family Scholarship has empowered employees and their children with formal education, nurturing long-term community growth, and lasting social impact across Thailand.

Accountability that Builds Trust

G OVERNANCE

Delta believes good governance enables ethical and sustainable business growth without sacrificing the needs of our stakeholders.

WHISTLE BLOWING

Delta Thailand offers rewards to encourage reporting of wrongdoing through multiple secure, convenient, and confidential channels for fraud, corruption, and policy violations, ensuring anonymity and protection against retaliation.

ANTI-CORRUPTION

Delta Thailand is certified by the Certified Anti-Corruption (CAC) program, demonstrating its commitment to ethical business practices, transparency, and zero-tolerance against bribery and corruption.

ETHICAL BUSINESS

Delta Thailand is committed to responsible and ethical supply chain practices through the Responsible Business Alliance (RBA), promoting labor rights, environmental stewardship, and sustainable operations across its global network.
